Note in Register 6/3/17

6th March, 1917.

re Claim No. 6952.

Dear Sir,

In reply to your letter of the 17th instant I beg to state that the Property Losses Committee have had before them claims similar to that made in this case, and they have been obliged to rule that the loss involved by the salvage of the butter by the railway authorities was a consequential one, which under the terms of reference they are precluded from dealing with.

Yours faithfully,

Secretary.
