With reference to enclosed memo stating we are too late to get our claim considered. We would have furnished the above, but for Messrs. P. Thom & Co. telling us that when they would receive compensation they would settle with us. They have now ordered us to fill in the blue form stating the nature of damage & that we would get it through the ordinary way viz: - through your Committee. We have been misdirected from the start & such is the cause of this claim being outstanding
