The Mac Egan

Declined by Committee

Too late

The Mac Egan
called with this letter
& I told him he was
too late to make a
claim.

In
6/3/17

6993
39 Glashule Road
Kingstown
5 March 1917

Dear Sir, I beg to state
that I have not received
any compensation for
the loss of my oil painting
"Rough Sea off Kingstown"
value catalogue price £5.
in the burning of the
Royal Hibernian Academy
last year.

And shall be glad
to know when I may
expect my claim met as most of
the other artists have, I believe
received compensation fairly.
