Dear Sir, to contain it.  
9/11/16*

I have been consulted by Mr Patrick Talbot of 99. North  
Brunswick Street Cab & Car Proprietor and also 167 Church Street  
as to a claim for £19. 2. 0. (injuries at latter house) he sent into  
the Property Losses Committee, or perhaps the Mansion House Committee  
in May last about which he has heard nothing since. Apparently from  
what he tells me he did not make a Declaration on the usual blue  
form and perhaps that is the reason his claim has been overlooked  
although he says his neighbours have been already paid their claims.  
I would be glad if you would facilitate my Client and if the matter  
is not regularly before you, you would send me the necessary forms  
which I will have perfected and return. Mr Talbot is a poor man and  
cannot bear the loss.

The Secretary  
Property Losses Committee  
51. Stephens Green,  
Dublin.

Yours faithfully  
*John Lidwell*
