ENCLOSURES.

Reply that the Committee regret very much that they are unable to depart from the decision conveyed in their letter of 22 Nov to the Building Society. The principle that no party claim can now be entertained applies to all cases, irrespective of the amount involved.

Dear Sir,

re

press. 156 + 157 St. Strand.

My clients the Dublin Mercantile Mercantile Permanent Building Society have handed me a copy of their letter to you of the 21st inst. & your reply thereof of the 22nd inst. Having regard to the smallness of my clients claim, & to the circumstances that it was only within the past week or 10 days that the damage referred to was discovered, I think it is a case in which your Committee might see their way to allow the claim to be noted, subject to the usual proofs being given of the damage to the property, as had my clients had earlier notice of such damage the claim would have been made at once.

Yours truly

J. J. Healy Esq

Property Loans (Ireland) Comtee.
