23rd Novr.,

Dear Madam,

In reply to your letter of the 20th instant I beg to state that as no claim was lodged with the Committee for the etchings referred to they regret that they are unable to deal with the matter. Notices appeared in all the local papers, notifying that claims should be sent to the Committee by 12th August, 1916, and in the case of the Academy pictures it is understood that in addition the Academy authorities communicated with each of the artists as regards lodging claims.

Yours faithfully,

Secretary.
