re 73 Lower Mount Street

Dear Sir,

Referring to the claim for £113.11.0. which we furnished on behalf of Charles G. C. Hemphill and Marshall William T. Webb, on employing a Contractor to execute the necessary works of repairs, he found that all the lead piping in the house capable of being removed had been taken away, and as we were not aware of this when furnishing the original claim we now beg to claim, on behalf of our clients, the additional sum of £19.16.0. as per estimate of the Contractor Sir Patrick Shortall which we enclose.

Yours faithfully,

J. M. Ross Todd & Co.
