Mrs Julia Lynam.

Dear Sir,

We have your letter of yesterday.
The claim of our client is one which
could speedily be investigated and would
not give the Committee much trouble, as
will be seen from the estimate which
we enclose.

Our Client is an uneducated woman
in very humble circumstances, and in
view of the fact that the Committee's
work is not yet completed, and that there
is no statutory limitation ~~for~~ of the time
for sending in claims, we request the
Committee to re-consider their decision
and deal with the claim.

Yours faithfully,
