ALF. MASSER,
Solicitor.

COMMISSIONER FOR OATHS.

G/S.

THE CHAMBERS,

PARK SQUARE,

LEEDS.

8th August 1916.

Dear Sir,

re Disturbances on the 24th of April 1916.

I am acting for the Executrix of Mr. Charles Fletcher ⁷¹²⁴
of the firm of Needham & Fletcher, Commission Agents, who died on the
2nd inst. and who was in Dublin during the disturbances along with
his nephew Frank Norton. ^{do not proceed with}

They lost the whole of the personal belongings, and I believe
a claim was subsequently sent in by the firm.

It would appear to me that the claims should be made indi-
vidually namely one by the Executrix of Mr. Fletcher in respect of his
⁷¹²² loss and another by Frank Norton in respect of the loss sustained by
^{do not proceed with Nat} him.

I am obtaining Probate of the Will of the late Mr. Fletcher,
and shall be glad if you will forward me the necessary forms to enable
me to furnish the particulars which I understand have to be submitted
to you.

⁵⁷⁸⁹ Mr. Needham (Mr. Fletcher's partner) has I am informed,
already sent in a separate claim in respect of his property.

Yours faithfully,

^{ack. & send forms 9/8/16}
