Ellen Keogh

Claim received too late for consideration.

6th June, /7.

No. 7154 - 6 Tara Street.

Dear Madam,

I am in receipt of your further letter of the 5th instant in reference to this claim. The number 7154 was given for reference purposes to your letter of 31st May. Mr Gray prepared some of the claims lodged with the Committee and he was employed for this purpose by certain claimants just as others employed Solicitors instead of sending in the claims direct. The Committee of course had no responsibility in the matter.

As stated in my letter of 1st instant the Committee's work has ended for some time and nothing can now be done in this matter. It is, however, open to you, if you think well of it, to send particulars of your case to the Under Secretary, Dublin Castle, for consideration.

Yours faithfully,

MA

Sir

I am in receipt of your letter informing that Mr. Gray did not represent the Committee I am surprised he was allowed to act for others who have received Compensation

I am at a loss to know a number has been assigned to a claim that you say was never received

I will forward your reply to the Member for the City, who will doubtless ascertain who this Mr. Gray was and

how he was permitted to act
for claimants without authority

My business has been
recined and I think as I
only an inexperienced woman there
should be some representation
made on my behalf to those
to whom the final report has
been sent

re Claim No. 7154.

Dear Madam,

In reply to your letter of the 31st ultimo, I beg to say that no claim for compensation was received from you by the Property Losses Committee. You are not correct in stating that Mr Gray represented the Committee.

As the Committee some time since sent its final report to the Government and is no longer in existence, it is regretted that nothing can ^{now} be done regarding your claim.

Yours faithfully,

Mrs Ellen Keogh,

Dublin.

Sir

I have carried on business
at No. 6 Tara Street in the
vegetable line and was
doing a lucrative trade
until the rising in April
1916 when my place was
taken possession of by the
military who turned it into
a depot

I waited on Mr. Gray
at the Granville Hotel
who took all particulars
and promised to forward

my claim to the Property
Losses Committee I have
heard nothing since and
beg that your Committee
will take my claim into
their favourable consideration
as my business has been
totally ruined and I have
since been obliged to relinquish
the premises

I am aware there was
a limit to the time for
making application but
as I placed the matter in
the hands of Mr. Gray who
