recommended to Govt. 5/10/16

Dear Sir,

I have been consulted by Miss Kathleen Wilson of Chipton, Ailesbury Park, Dublin and late of Gortnamona, Bray.

In July last Miss Wilson sent in a claim in respect of property belonging to her which was destroyed at No. 1 Clanwilliam Place, where she was living, at the time of the Rebellion. Since she sent in the claim she has heard nothing about it.

Miss Wilson is very badly in need of money to replace her property and I would be much obliged, therefore, if you would look into the matter and have it attended to as soon as possible.

Yours faithfully,

Fredy Sharpe
