I interviewed the Applicant herein and very carefully investigated his claim. The building in question was partially damaged in the conflagration that consumed a large area in the street. The house was a tenement and the Claimant's property was damaged through part of the floor falling in. As usual, however, with Applicant's of this class the claim is grossly inflated, as for instance the claim for a "gentleman's suite" which is merely tossed. My Valuation fully covers everything.

Payment recommended, £9.13. 0.

Herbert Jones
INSPECTOR.
