You will see from these details that the actual cloth in the samples comes to the £21 which we charge.

We estimate that the labour spent on cutting and mounting the samples is £5, for this we have made no charge.

We enclose invoice for leather case for which we have charged £10. As you will know we cannot replace under 50% advance on the price paid.

I shall be glad if you will hand the invoice, this letter and the case invoice to the Assessor, Mr. Montgomery, and send you the letter in duplicate so that you may have a copy to refer to in case any further particulars are required. If they are, we shall be glad to furnish them.

We are,

Yours faithfully,
