Dear Sir, -----

We understand that this claim was

As the matter is urgent, our

operations, we would be much obliged if you  
would let us know whether the claim has  
yet gone forward. An early reply will  
oblige. 18923 return

Messrs. Corrigan & Wilson,

Dear Sirs,

In accordance with your request, I hereby certify that in my judgment, the enclosed Inventory is an equitable statement of the value of your Composing Room Plant, contained in your Premises at Sackville Place, and which premises I visited as recently as April 12 of this year (only a few days before the destruction of your Printing Works). My opinion is based on close acquaintance with your Plant, which was almost entirely purchased from my Firm.

The Renewal of this Plant will cost not less than £1800. Your Plant was to my knowledge in excellent condition, much of it practically new, while nothing was old, as it was always kept well up-to-date. I therefore consider this claim fair and very reasonable.

I am,

Yours faithfully,

Dear Sirs,

At your request, I enclose you an Inventory,  
together with what in my judgment I consider to be the  
value of the machinery in your premises, Sackville Place,  
at the time of your recent fire.

The firm of which I am a partner, have supplied  
most of the machinery named therein, and I, personally, was  
continually visiting your works, and can testify to the  
excellent condition in which your plant was kept. All the  
machinery was in first-class order, and some of it practically  
new. Therefore, my opinion is based on an intimate knowledge  
of same.

The renewal of this plant at the present time  
would cost approximately £1400.

Yours truly,

H. Patrick.

Messrs Corrigan & Wilson

Dear Sirs,

As requested by your Mr. Wilson, I have carefully gone into the matter of prices of papers as detailed on sheets Nos. 21, 22 & 23. Your total for these three sheets, (omitting " Office Fixtures & Fittings") amounts to £317\_6,8. whereas the current market value at Easter week works out at £428,6,10. as you will see by my figures opposite each item, thus making a difference of £111,0,2. As you are aware, the market was very uncertain at that time, and I have underestimated rather than otherwise.

Yours faithfully
