V Rev Dear Sir

In reply to your enquiry, we do not think that £50 would be excessive for the time necessary for the careful and proper revision and reading of proofs of Gilmartin's "Church History"

You may safely add ten per cent to estimate of so many years ago for generally increased costs, and to this, a special addition of  $14/7$  per 1000 sheets of 16 pages<sup>\*</sup>, for advanced price of paper due to War conditions.

We trust this information will suit your requirements as we have not copy of our old estimate at hand, but if a convenience to you, and if you send us the old estimate, we will extend it for you on above lines.

Your obedient servants

For BROWNE & NOLAN, Limited

\*  $26 \frac{14}{16}$  Sheets of 16 pages each.

Each sheet @  $14/7$  per 1000 Copies = 26. 17. 9

4365 Copies @  $26. 17. 9$  per 1000 = 117. 7. 4
