MJR 12/3/17

Yours to hand and note its contents I wish to state that I am not at all pleased with the amount received in lieu of destruction to the above Premises. You gave me a receipt for a machine costing like £32 and we only got paid £25 well that would never pay my debts also as I pointed out before the Building is costing £116 and you gave us a cheque for £91 and the stock & furniture which

a Public Auditor gave shortage of
Stock and we did not get paid for more
than half. Anything is given in the
lowest estimates & receipts from honour-
able firms, and I am rather surprised
at such a deficiency being made
by your assessors. And I shall not
accept of the amount received as clear.
Considering the Matory was firing on
my house for six days, and then let
me fix and repair the House at my own
loss. Kindly have your bills amended
and let me have Cheque in full & oblige.

Memo from M. J. Roberts & Co.
Wholesale & Family Grocers, etc.

Dear Sir

Handwritten notes:
I have sent all the invoices up for you to see completely investigated & the Committee to make this correct. 16/12

Please allow me to draw your attention to my claim which up to the present we did not receive full payments. In nearly all my claim I enclose bills & receipts showing exactly what had been paid for goods or utensils replaced or for repairing or replacing same. Mr J. Norton's estimate for repairs to the House is I think about £96. Well I got a cheque for only £91 & Norton's won't take one penny off. As regards Hachins & Scales we gave you

a receipt for the amount we paid for them
which cost about £34 or £35 & we only got paid
£25. well I don't get large amount off Cheque
in these cases. so you can see by the receipt
now to complete the house it will cost us
£116 instead of the estimate they gave us
for £95 or £96 so you see when they examine
the house properly outside they find that
they should charge for the extras to make
the job a good one. ~~I am~~ not satisfied
at all with the amount received as
it would not compensate me or near
it. I must ask you to look the matter up again
and give it your kind attention. as the
assessors must be misguided & obliged
hoping to have a favourable reply

Yours very truly
Nichl. J. Roberts
